

Commercial Real Estate Intern Burlingame, CA

Position:

Barry Slatt Mortgage seeks a bright, articulate and self-directed college student for a part-time (20-25 hours per week) entry level research, data management, and financial analysis role. This position offers an outstanding opportunity to learn the commercial real estate finance business and could lead to future opportunities with the firm.

The Job Summary:

- Research and manage lenders, loan quotes, deals, and lending programs in Salesforce.
- Provide analytical support on a wide variety of assignments including research, financial modeling, borrower credit review and preparation of loan briefs for lender review.
- Assist Portfolio Managers with borrower and lender requests.
- Help maintain databases used to manage loan servicing needs and service requests by Borrowers and Lenders.

Compensation - \$18/hr

The Company:

Barry Slatt Mortgage is a long-standing privately held and respected institution with more than 45 years of experience in commercial mortgage banking. Barry Slatt Mortgage has diverse correspondent network with several of the most prestigious lenders in the country, providing custom-tailored solutions for borrowers' needs. In addition to a powerful track record of loan origination, Barry Slatt Mortgage also services over \$3.7 billion in loans.

Requirements:

- Enrollment in a 4 year degree program in real estate finance, business administration or accounting.
- Strong computer skills including Excel – working knowledge of Salesforce is helpful
- Ability to be self-directed
- Travel to Burlingame office 2-3 days per week (BART Accessible)
